

March 2023

Dear Neighbor,

It's again time to participate in the placement of U. S. Flags in your neighborhood on 7 holidays from May to October. This Year Boy Scout Troop 520 will provide a flag for your home. Our Troop, consisting of ten scouts, will put up, take down, and store a 3'x5' nylon American Flag on your front lawn.

The flag installation includes the placement of a metal footing into your lawn. This footing is not visible above the grass and will not interfere with mowing. Also, a painted mark will be placed on the curb at the footing location.

If you would like this \$35.00 service for the 7 Holidays, please, fill out this information below. We appreciate the support of your neighborhood and will work hard to provide the best service for your home. 100% of your contribution goes to the Troop activities for all of 2023..

Day's flags are displayed:

Memorial Day May 29, Flag Day June 14, Juneteenth June 19, Independence Day July 4, Labor Day September 4, Patriot Day September 11, Columbus Day/Indigenous People October 9

Make check payable to : Boy Scout Troop 520
