

March 2024

Spring has sprung which means it is again time to sign up to participate in the placement of U.S. Flags in your neighborhood. As in years past, Troop 520 is proud to provide this service to our community. Our troop, consisting of ten scouts, will put up and take down a 3'x5' nylon American Flag on your front lawn for 7 holidays spanning from May to October (flag storage is included)

The flag installation includes the placement of a metal footing into your lawn. This footing is not visible above the grass and will not interfere with mowing. In addition, a painted mark will be placed on the curb at the footing location.

If you would like to join you neighbors in showing your patriotism by participating in the \$40.00 service, please, print and fill out this information below. To ensure you have a flag by Memorial Day please have your check in the mail by May1st. We appreciate the support of your neighborhood and will work hard to provide the best service for your home. 100% of your contribution goes to the youth activities for all of 2024...

For questions please text or call (leave a voicemail) at 712.828.1360. All messages will be returned as soon as possible.
